Your work is going to fill
a large part of your life,
and the only way to be
truly satisfied
is to do what you believe
is great work.
And the only way to do
great work
is to love what you do.
If you haven't found it yet,
keep looking.
Don't settle.
As with all matters
of the heart,
you'll know when
you find it.

– Steve Jobs
